MAD LIBS®

MAD LIBS® is a sort of game for people who don't like games. It can be played by two, three, four, or forty.

■ RIDICULOUSLY SIMPLE DIRECTIONS

In this tablet you will find stories containing blank spaces where words are left out. One player, the **READER**, selects one of these stories. The **READER** does not tell anyone what the story is about. Instead he/she asks the other players, the **WRITERS**, to give him/her words. These words are used to fill in the blank spaces in the story.

■ TO PLAY

The **READER** asks each **WRITER** in turn to call out a word. This word will be an adjective or a noun or whatever the space calls for. He/She then writes the words in the blank spaces in the story. After all the spaces are filled in the result is a **MAD LIB**.

The **READER** then reads the completed **MAD LIB** to the other players. They will hear that they have written a story that is fantastic, screamingly funny, shocking, silly, crazy or just plain dumb – depending upon which words each **WRITER** called out.

In case you've forgotten what adjectives, adverbs, nouns, and verbs are, here is a quick review:

An **ADJECTIVE** describes something or somebody. Lumpy, soft, blond, ugly, messy, and short are adjectives.

An **ADVERB** tells how something is done. It modifies a verb and usually ends in "ly". Modestly, stupidly, greedily, and carefully are adverbs.

A **NOUN** is the name of a person, place, or thing. Woman, sidewalk, umbrella, horse-collar, bathtub, and nose are nouns.

MAD LIBS® is fun to play with friends, but you can also play it by yourself! To begin with, **DO NOT** look at the story on the page below. Fill in the blanks on this page with the words called for. Then, using the words you've selected, fill in the blank spaces in the story.
