Do what Dyno does! Say "Yes!" to fun.
Say "No!" to drugs and alcohol.

Drugs hurt your body. You need a
STRONG body to play with friends.

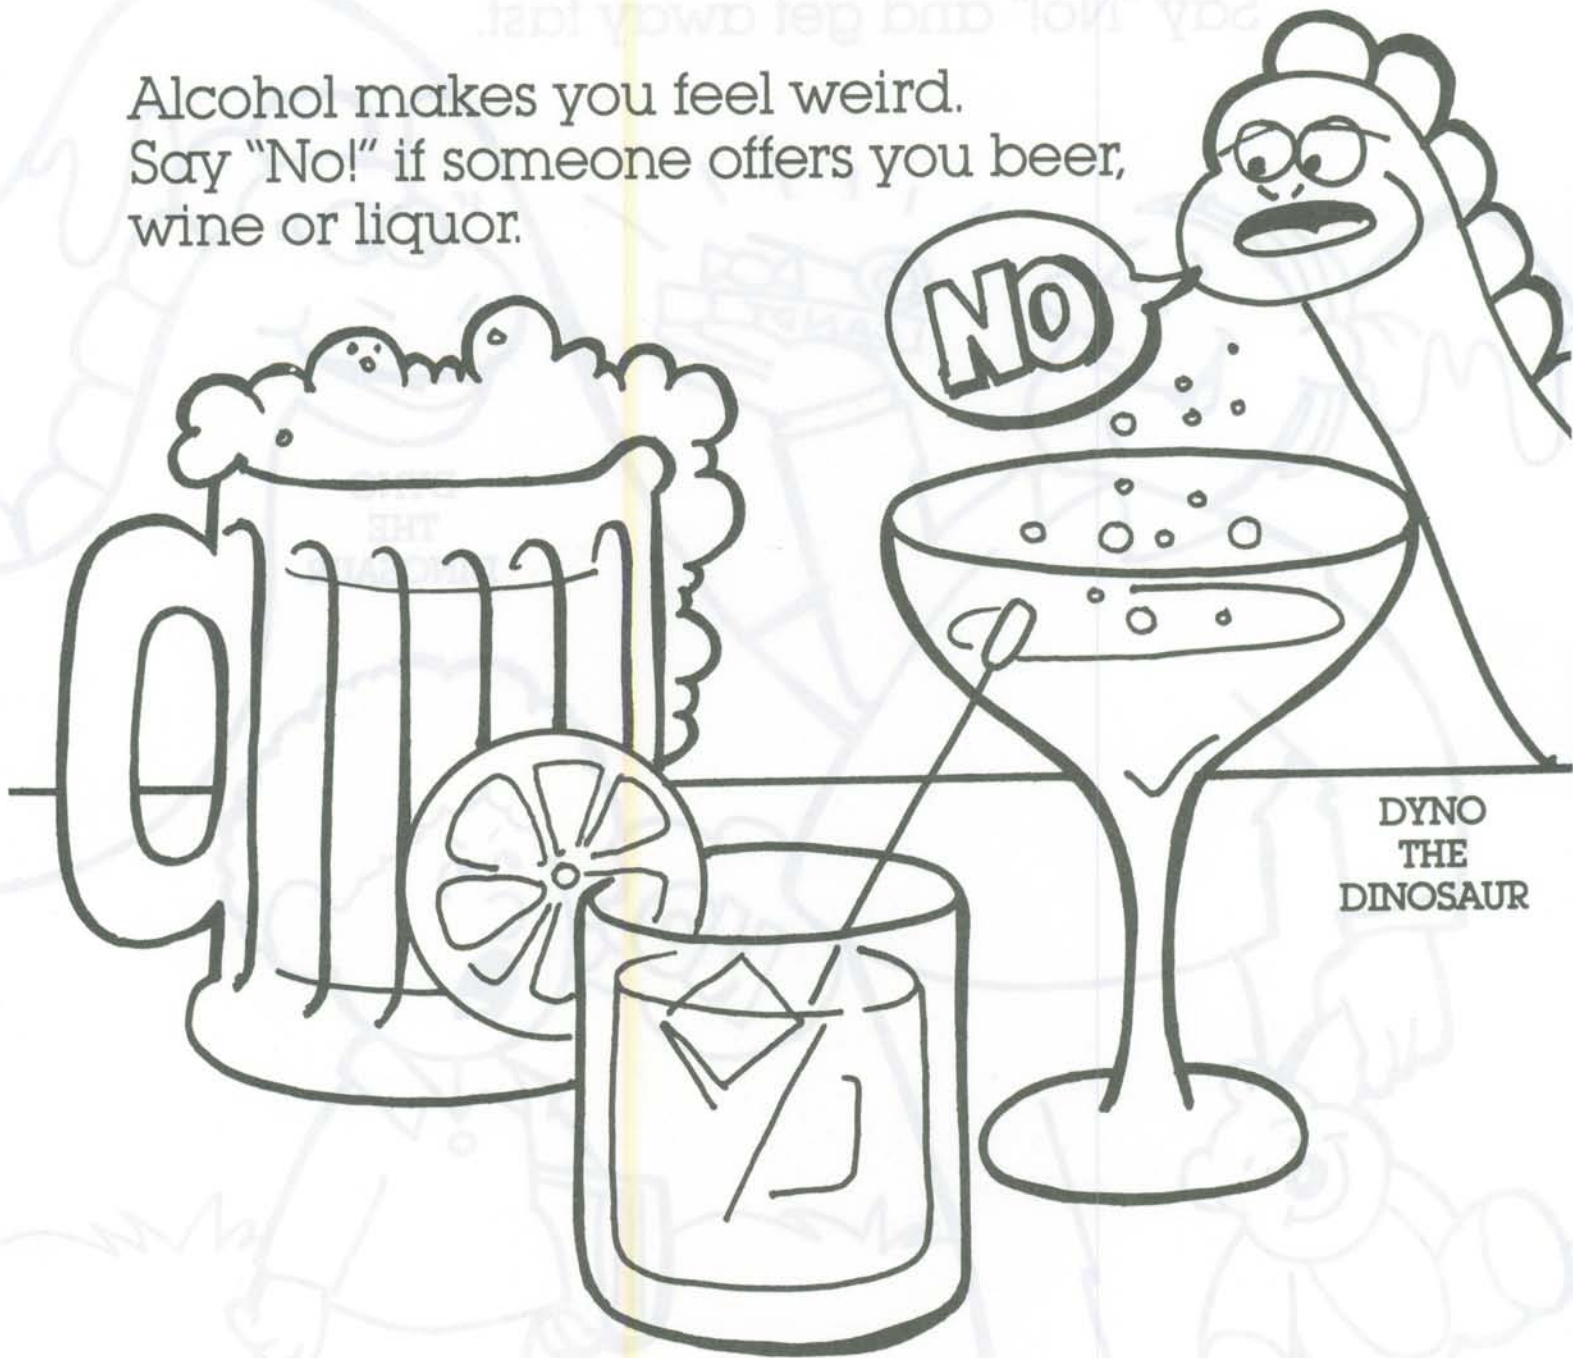

Cigarettes can make you sick. If someone tries to give you a cigarette, just say "No!"

Alcohol makes you feel weird.
Say "No!" if someone offers you beer,
wine or liquor.

Strangers are people we don't know. Never take
candy or anything from a stranger!
Say "No!" and get away fast.

Your parents or your doctor gives you medicine when you're sick. They know how much you need.
