Giving Thanks Worksheets

Name _____ Date _____

Instructions: Read each word problem. Use the workspace to find the answer to each problem.

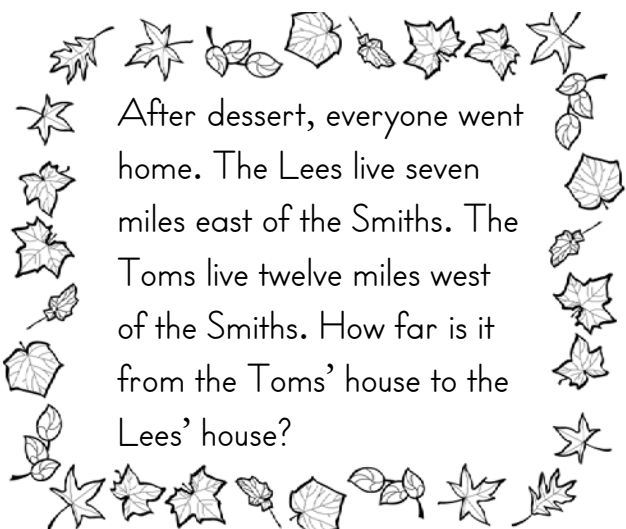

Mr. and Mrs. Smith invited their friends over for Thanksgiving Dinner. Five people from the Lee family and three people from the Tom family came. How many people were at the dinner?

Workspace:

The Smiths made pies for dessert. Three people ate cherry pie, two people ate pumpkin pie, and five people ate pecan pie. How many more people ate pecan pie than cherry pie?

Workspace:

After dessert, everyone went home. The Lees live seven miles east of the Smiths. The Toms live twelve miles west of the Smiths. How far is it from the Toms' house to the Lees' house?

GIVING Thanks Worksheets

Name _____ Date _____

Instructions: Read the passage. Then answer the questions below.

Veteran's Day

On November 11, 1918, an armistice was signed to end World War I after four years. In 1938, Congress passed a bill that dedicated each November 11 to honor the veterans, or people who served in the military, in World War I. The day became known as Armistice Day. Each year, people in the United States observed the holiday in ceremonies at the Tomb of the Unknown Soldier in Washington, D.C., parades, and religious services.

However, after World War II ended in 1945, people wanted to honor all Americans who had fought in a war, not just World War I. On June 1, 1954, Congress officially changed the name of the observance on November 11 from Armistice Day to Veteran's Day. This holiday observed all over the United States every year with celebrations to honor the sacrifices of all servicemen and women that protect our freedom.

1. What does Veteran's Day honor?

2. What was the original name of Veteran's Day?

3. When did Congress officially change the holiday name to Veteran's Day?

4. How do some people celebrate Veteran's Day?
