Zed and Montie

It was a hot summers evening.

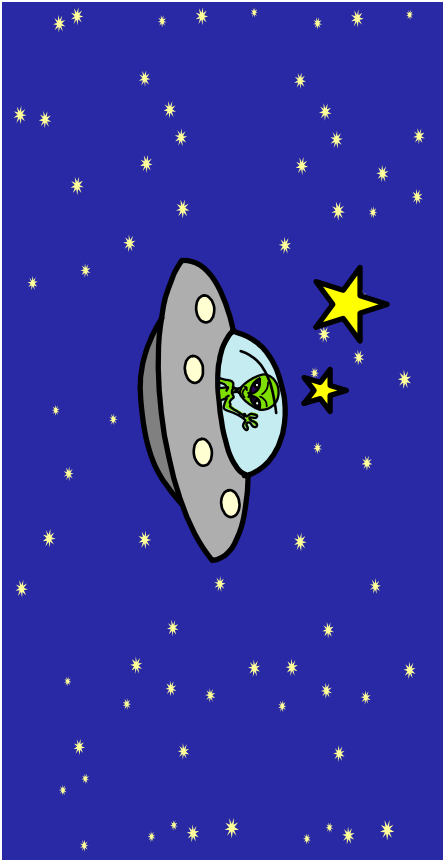

Harry looked up to the sky.

He was waiting for something special to happen.

Zed was about to arrive for a holiday.

Harry saw a bright light coming towards him.

Zed's spaceship zoomed through the night sky.

It landed in Harry's back garden.

They were both very pleased to see each other.

Harry and Zed went inside to meet everyone.

Zed said hello to Harry's mum and dad.

Harry had a surprise for Zed.

Harry's cousin, Lottie was also staying with them.

Lottie showed Zed her new puppy.

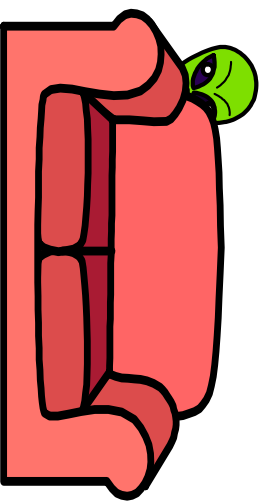

He was called Montie.

Montie was a West Highland terrier.

He was very soft and cuddly.

When Montie saw Zed he began to yap.

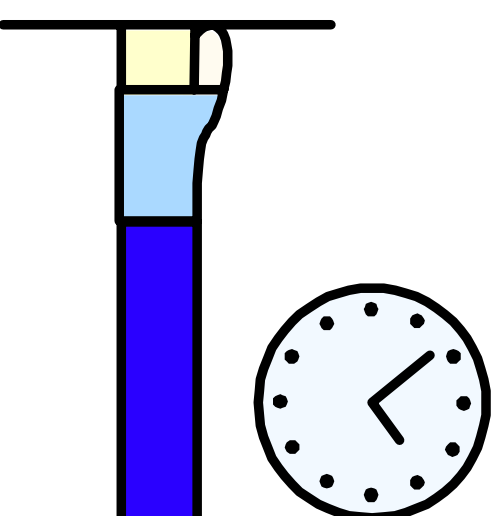

"Yap yap yap" said the puppy.

Zed was frightened and hid behind the sofa.

He had never seen a dog before.

"Don't be scared, he's just a puppy" said Lottie.

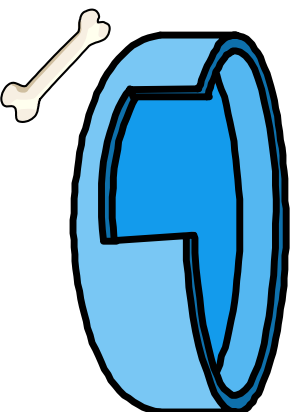

But Zed stayed behind the sofa.

Soon it was bedtime for everyone.

The lights went off and everyone went to sleep.

The next morning everyone heard Lottie shouting.

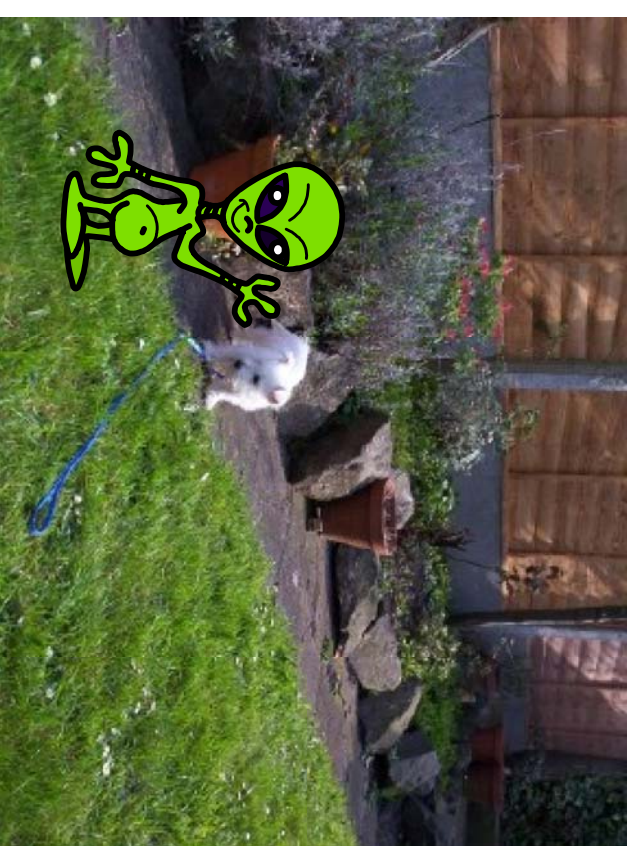

She was upset as Montie was missing.

Everyone except Zed helped look for him.

Guess where they found him?

There he was fast asleep on Zed's bed.

Montie and Zed became special friends.

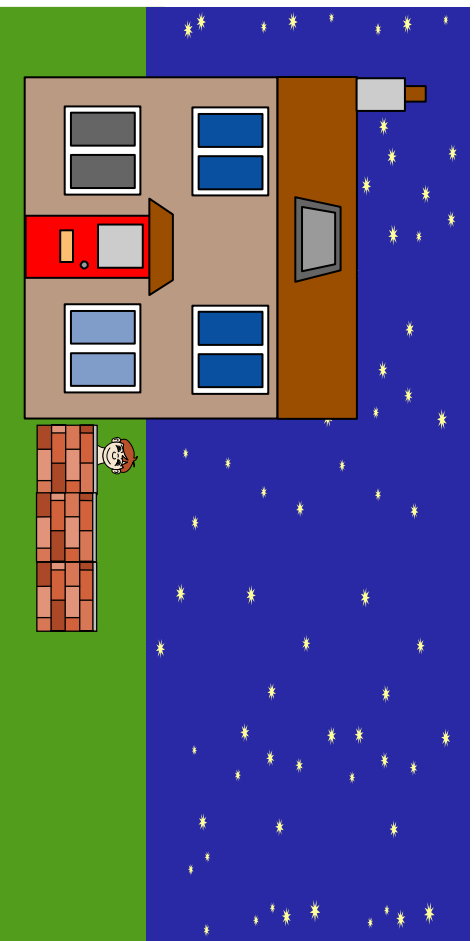

Everywhere that Zed went, Montie followed.

Everywhere that Montie went, Zed followed too.
