COLOR ME... DRUG FREE!

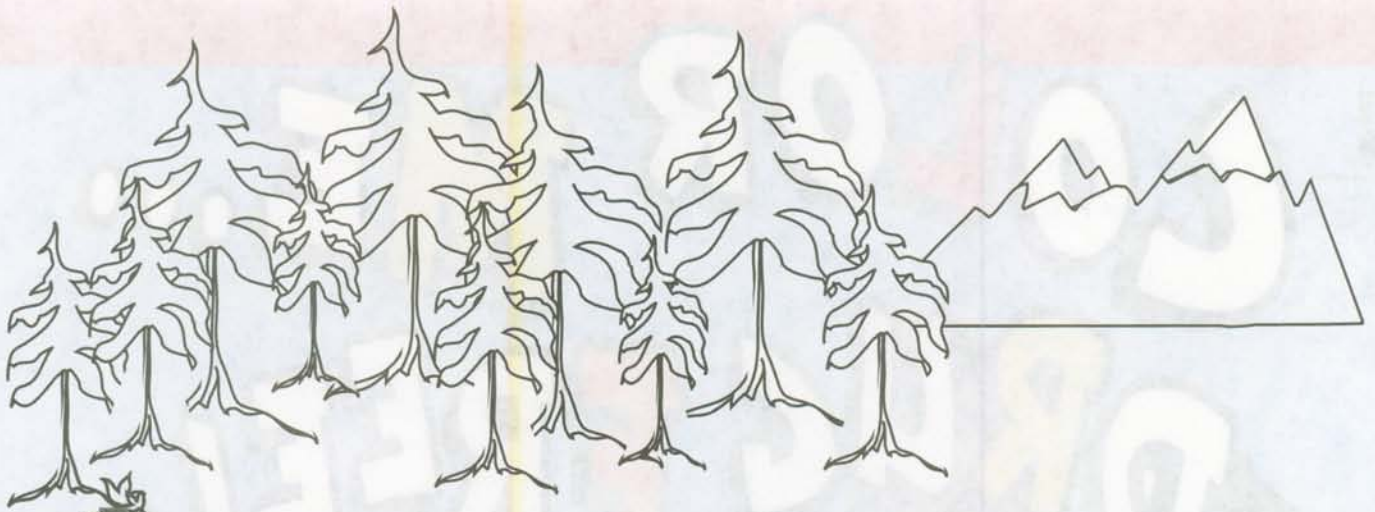

ACTIVITY BOOK

with

**Rocco
Raccoon**

**NO
DRUGS**

In the middle of a forest, Rocco Raccoon and his animal friends were busy making a plan. They had learned all about drugs at The Forest School and they wanted to be sure there were no drugs in their forest.

Hi! My name is Rocco Raccoon. What is your name? My friends and I want our forest to be drug-free.

Your name, please.

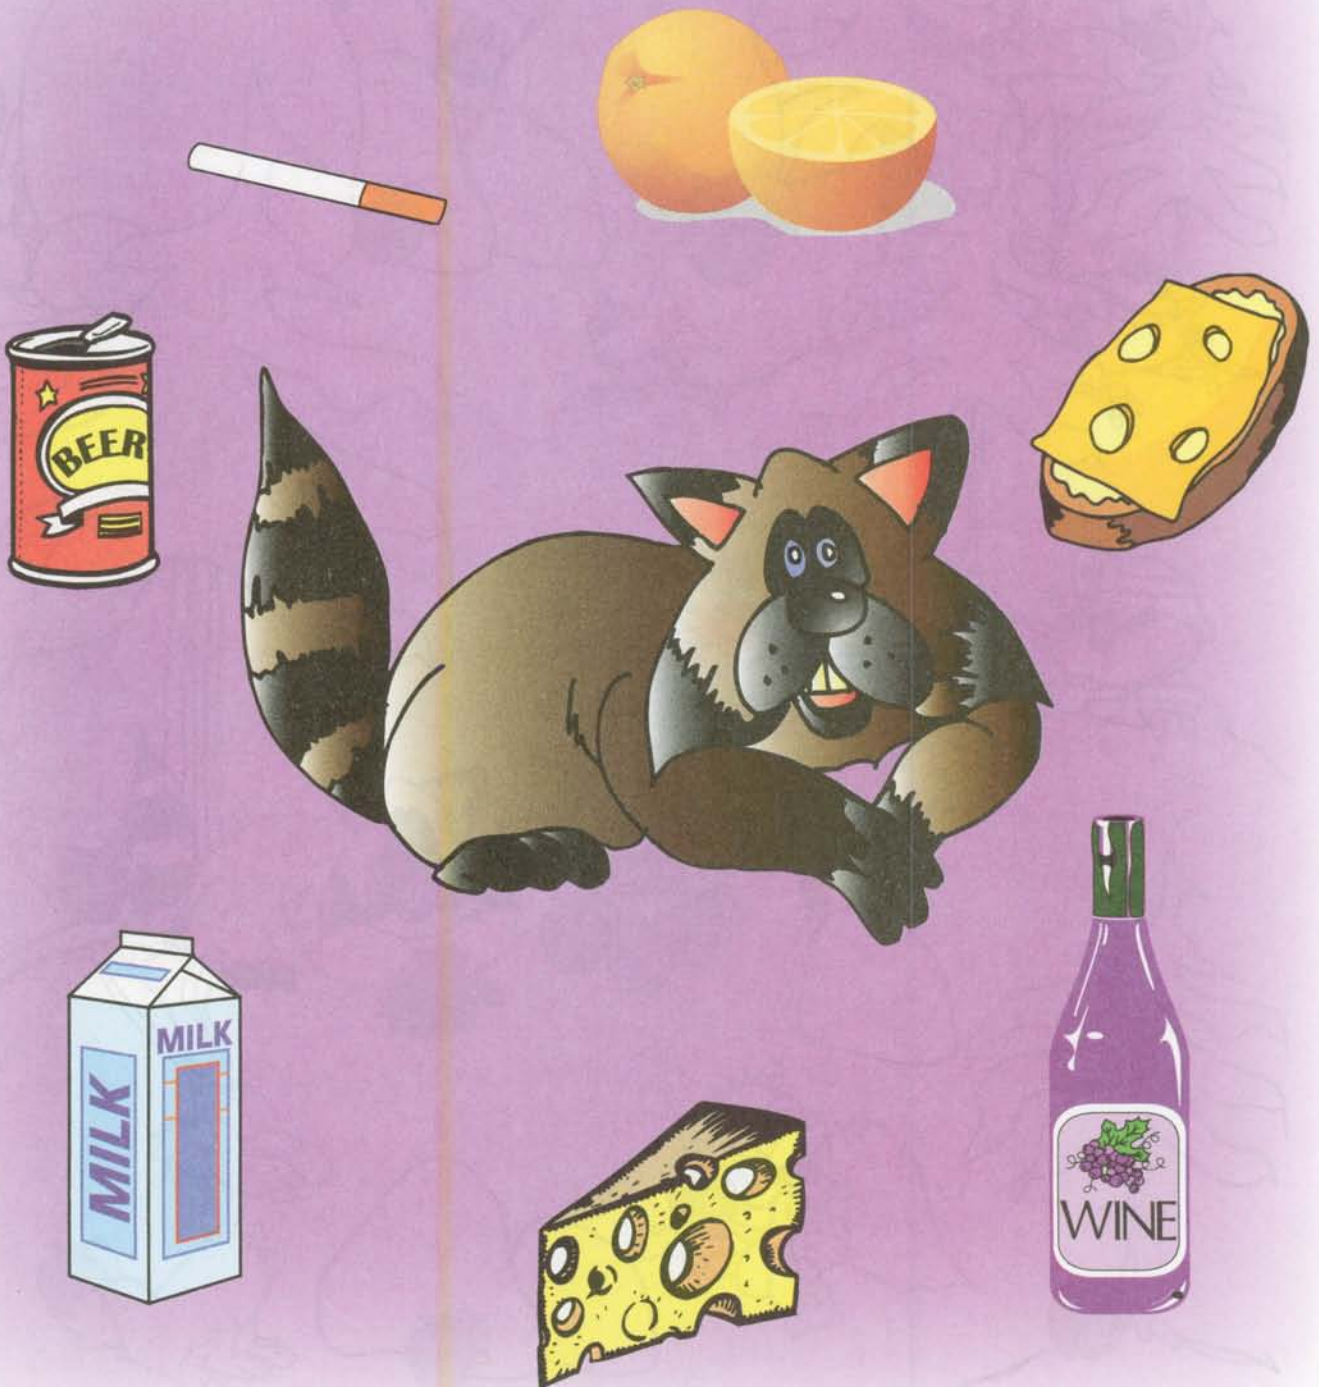

ne bright and sunny day, Rocco Raccoon and his friends were on their way home from The Forest School, eating yummy apples as they walked. In school that day, they had talked about ways to keep themselves healthy. Rocco said to his friends, "Apples are good for us!"

How many apples can you count? _____

Making Good Choices

Rocco and his friends know they have to make good choices about what they put in their mouths. Can you help Rocco decide which of these things are good for him? Draw a circle around things that are okay to put in his mouth.

Who's Who?

Draw a line to connect the message to the animal. Use the hints to help you.

I will make good choices.

I care about myself.

HINT: The animal with red sneakers makes good choices.

HINT: The animal with the striped tail cares about himself.

I will keep myself healthy.

I know that drugs are bad for me.

HINT: The animal you sometimes find at picnics wants to keep himself healthy.

HINT: The biggest animal knows that drugs are bad for you.

Sick Sammy Squirrel

Sammy Squirrel was sick. He had to take medicine to help him get better. He asked his mom, "Is it okay to take this medicine?" His mom said, "Yes, it's okay to take medicine that I give you."

Unscramble the words below. It's okay to take medicine from these people.

otmrhe _ _ _ _ _

rhafte _ _ _ _ _

dcoort _ _ _ _ _

eusrn _ _ _ _ _

Answers: Mother, father, doctor, nurse.

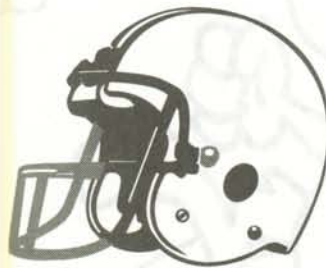

Forest Fun

Drugs are not healthy for you. But Rocco and his friends know lots of healthy ways to play. Draw a line to connect the pictures that go together. Write the name of the sport under each animal.

Answers: Football, baseball, swimming, basketball.

Color Rocco and His Friends

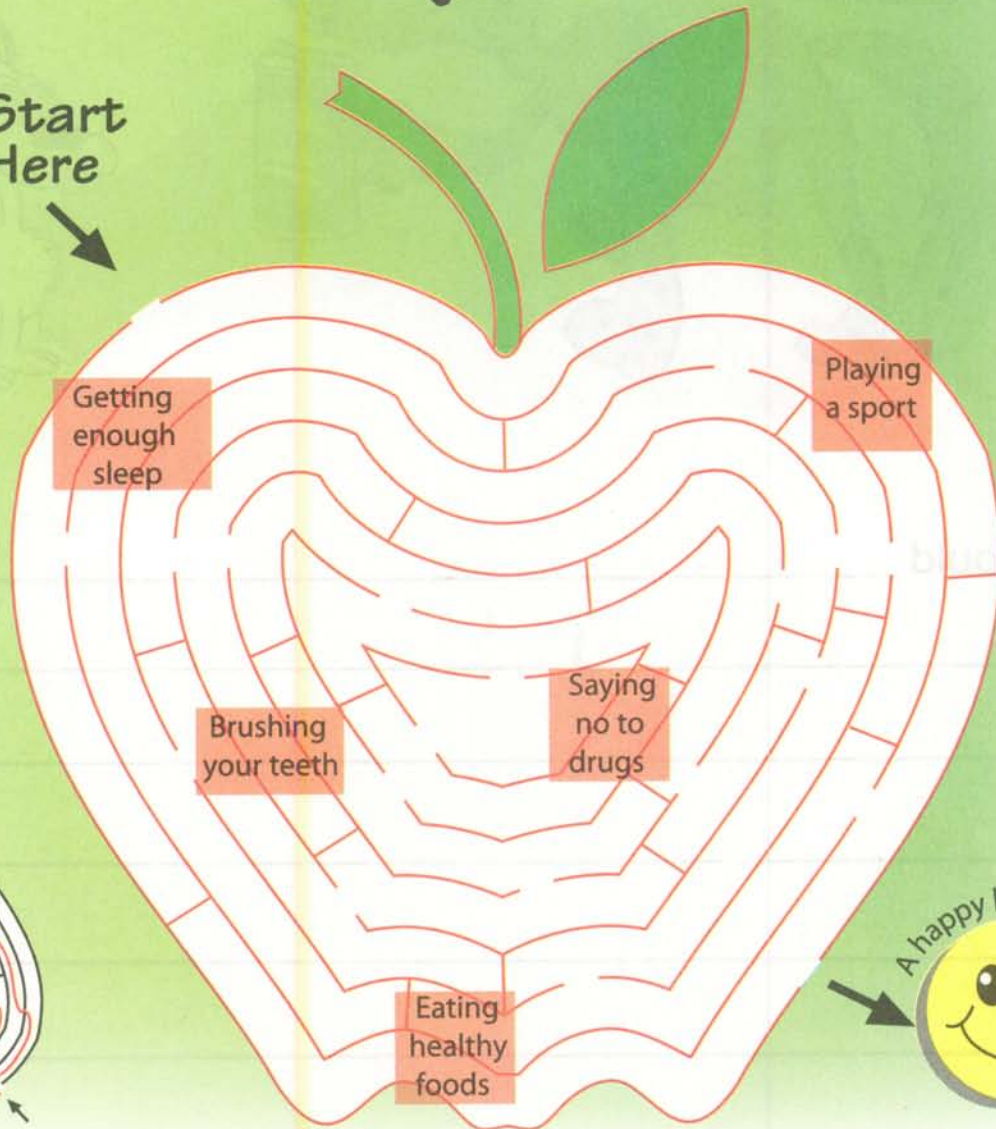

The Path to Smart Choices

Rocco told Otto Otter, "Making smart choices will keep you happy and healthy." Can you help Otto find his way through the maze?

Answer:

What Would You Do?

Warren Wolf wanted Randy Rabbit to taste the beer some visitors had left in their cooler. But Randy Rabbit knew it was a bad thing for him to do. If you were Randy Rabbit, what would you do?

I would _____

A Happy, Healthy You

In the space below, draw a picture of yourself - happy, healthy, and DRUG-FREE!

Rocky's No Drug Club

In the first lesson, Rocky is driving with a friend to their No Drug Club. Rocky is a member of the club and is excited to go. Rocky is a member of the club and is excited to go. Rocky is a member of the club and is excited to go.

As a member of Rocky's No Drug Club, Rocky will not use any drugs. It is a promise Rocky has made. Rocky is a member of the club and is excited to go.

Rocky is a member of the club and is excited to go. Rocky is a member of the club and is excited to go. Rocky is a member of the club and is excited to go.

Rocky is a member of the club and is excited to go. Rocky is a member of the club and is excited to go. Rocky is a member of the club and is excited to go.

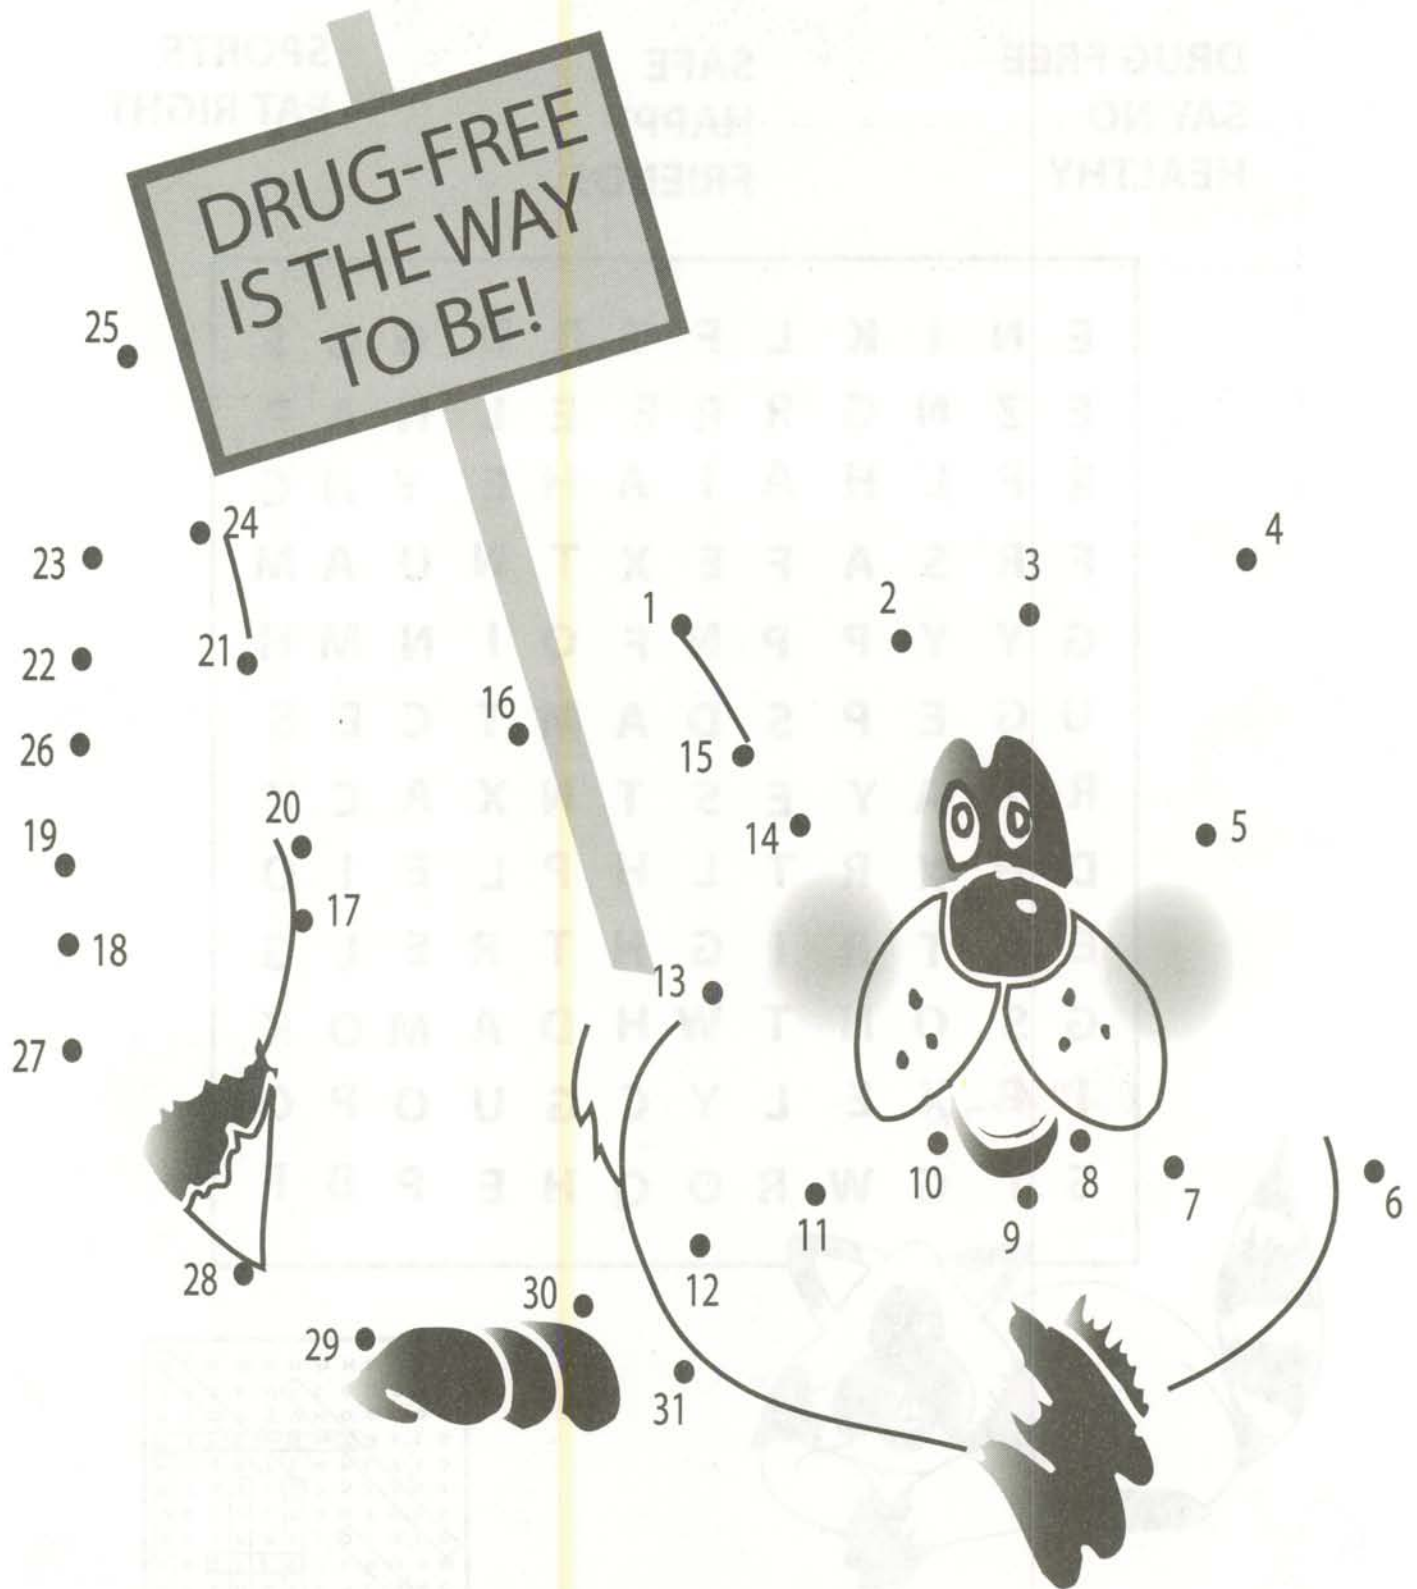

In the forest, Rocco is playing with his friends at their No Drugs Club. All of his club friends made the choice to be drug-free after they learned how drugs could hurt them. You can be a member of Rocco's No Drugs Club too. Just fill in your name on the card below. Cut the two pieces out and paste the them together, back to back. You are now a member of Rocco's No Drugs Club. CONGRATULATIONS!

As a member of Rocco's No Drugs Club, I will **not** take any drug unless it is a medicine to make me healthy, given to me by my parent, a doctor or school nurse, or a grownup who is taking care of me.

ANSWER:

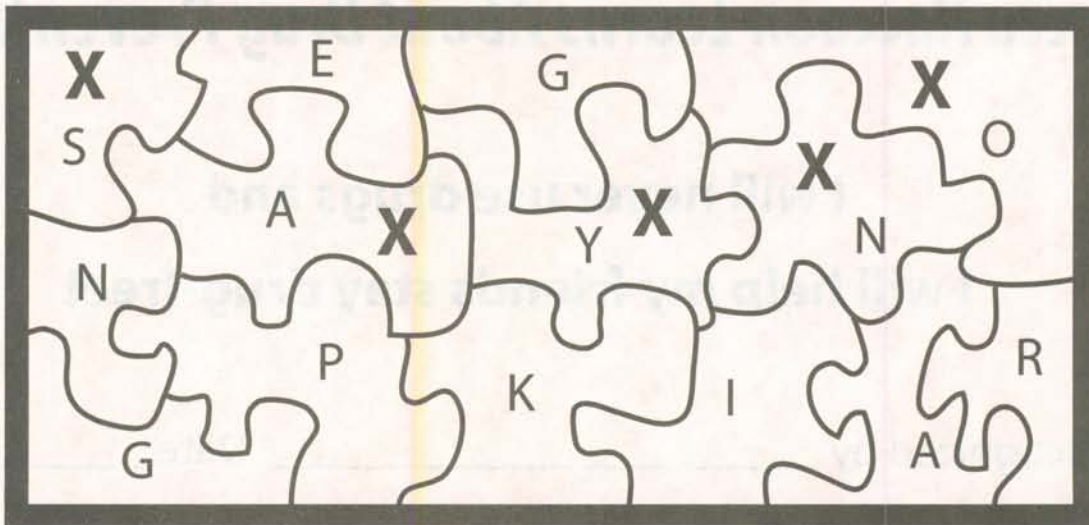

You Can Say No!

Patty Porcupine said to Rocco, "I hate it when someone tries to make me do something I don't want to do!" Rocco told her, "There are lots of ways to say no."

You can...

- Talk about something else
- Make an excuse
- Make a joke
- Just walk away

To read Rocco's special message, use a red crayon or pencil to color the puzzle pieces that have an X in them. Then use any color you want to for the rest of the pieces!

This is to certify that
