MAD LIBS®

MAD LIBS® is a game for people who don't like games. It can be played by one, two, three, four, or forty.

■ RIDICULOUSLY SIMPLE DIRECTIONS

In this tablet you will find stories containing blank spaces where words are left out. One player, the **READER**, selects one of these stories. The **READER** does not tell anyone what the story is about. Instead he/she asks the other players, the **WRITERS**, to give him/her words. These words are used to fill in the blank spaces in the story.

■ TO PLAY

The **READER** asks each **WRITER** in turn to call out a word. This word will be an adjective or a noun or whatever the space calls for. He/she then writes the words in the blank spaces in the story. After all the spaces are filled in, the result is a **MAD LIBS®** game.

The **READER** then reads the completed **MAD LIBS®** game to the other players. They will hear that they have written a story that is fantastic, screamingly funny, shocking, silly, crazy, or just plain dumb—depending upon which words each **WRITER** called out.

In case you've forgotten what adjectives, adverbs, nouns, and verbs are, here is a quick review:

An **ADJECTIVE** describes something or somebody. *Lumpy, soft, ugly, messy, and short* are adjectives.

An **ADVERB** tells how something is done. It modifies a verb and usually ends in "ly." *Modestly, stupidly, greedily, and carefully* are adverbs.

A **NOUN** is the name of a person, place or thing. *Sidewalk, umbrella, bridle, bathtub and nose* are nouns.

A **VERB** is an action word. *Run, pitch, jump, and swim* are verbs. Put the verb in past tense if the directions say **PAST TENSE**. *Ran, pitched, jumped, and swam* are verbs in the past tense.

When we ask for a **GEOGRAPHICAL LOCATION**, we mean any sort of place: a country or city (Spain, Cleveland) or a room (bathroom, kitchen).

An **EXCLAMATION** or **SILLY WORD** is any sort of funny sound, gasp, grunt, or outcry. *Wow!, Ouch!, Whomp!, Ick!, and Gadzooks!* are exclamations and silly words.

When we ask for specific words like **A NUMBER, A COLOR, AN ANIMAL, or A PART OF THE BODY**, we mean a word that is one of those things.

When a **PLURAL** is asked for, be sure to pluralize the word. For example, *cat* pluralized is *cats*.

EXAMPLE:

(BEFORE)

" _____ !" he said
EXCLAMATION
_____ as he jumped into
ADVERB
his convertible _____ and
NOUN
drove off with his _____ wife.
ADJECTIVE

(AFTER)

" *Ouch* _____ !" he said
EXCLAMATION
Stupidly _____ as he jumped into his
ADVERB
convertible *cat* _____ and drove
NOUN
off with his *brave* _____ wife.
